Submitted to ether with Srl. No. 30660.

2. These are the representations from Messrs. A.R.Kaulgud and G.Y.Dahale, Offg. Dy.Engrs., attached to the offices of the Ex.Engr., Nira Canals Dn., and the Ex.Engr., A'nagar Dn. respectively. For the reasons stated by them the applicants request that the Dy.Engrs. attached to the Dnl. Offices (offices of the Ex.Engrs. of Dns.) as P.As.may be granted a special pay of Rs. 50 p.m. on the analogy of spl.pay granted to the Asst. or Dy.Engrs. and Overseers attached to the Sectt;; the S.Es. offices and the Dnl. offices. The Ex.Engrs. and the S.E.,D.I.C., have recommended the request.

3. The Asstt. or Dy.Engrs. attached to the administrative offices and the Overseers attached to the advice & Dnl. Offices. have granted sp. pays as shown below:-

Designation.	Rate of spl.pay. Rs.p.m.	No. and date of order sanctioning the spl.pay.
(i)Asstt. or Dy.Engrs. attached to the P.W.D.Sett.	100	G.R.No. 5987/36, dated the 29/4/44.
(ii)Asstt. or DyEngrs. attached to the offices of the S.Es. of Circles.	50	---do-----
(iii)Overseers attached to the P.W.D.Sectt., the S.Es.Offices, the P.H.E.'s office & the Dnl.offices.	20	G.R.No. 7624/36, dated the 25/4/47.

The question re: the grant of spl. pay to the Asstt. or Dy. Engrs. attached to the Dnl. offices was considered in the past. It was proposed by this Deptt. that these officers may be granted a spl. pay of Rs. 50/- p.m. The F.D. did not agree to the proposal on the ground that though there were posts of p.As. in the Presy.Dn. the Poona Dn. and the Nira Canals Dn. prior to 1936 (The year in which the spl.pay of Asstt. and Dy.Engrs. attached to the P.W.D.Sectt. and the S.Es offices were reduced/ withdrawn). there were no spl. pays sanctioned for them and that the posts of P.As are created to meet the increase in work and to afford relief to Ex.Engrs. The proposal was therefore dropped vide notes on pages 99-101,

P.t.o.

105 and 116 of file No. 5987/36 put up below:-

In G.R.No. 7624/36, dated the 25/4/47, the Overseers attached to the P.W.D.Sectt. and the offices of the S.Es., the Ex.Engrs. have been granted p.m. with effect from the 1/4/47.

8. It appears that the work done by the Asst. or Dy.Engrs. attached to the Dnl. Offices is practically of the same nature as that done by their colleagues attached to the S.Es. offices and reasons necessitating the grant of spl. pay to the Asstt. and Dy Engrs. attached to the S.Es. offices would hold good in their case also. The reason for not granting them spl. pay merely on t e ground that P.As. attached to the offices of the Ex.Engrs. of the Presy., the Poona and the Nira Canals Dns. were not granted such spl;pay prior to 1936 does not seem to be justifiable. The denial of spl. pay to these officers becomes more anamolous when even the Overseers attached to the administrative and Dnl. offices have been granted spl.pay. In the circumstances,it is for the consideration whether the question of the grant of spl.pay to the Asstt. and Dy.Engrs. attached to the Dnl. offices may be taken up again and they may be granted a spl.pay of Rs.50 p.m. in u.o. consultation with the F.D. or whether the S.E.D.I.C.'s recommendation may be negatived.

Id: 30/6

The proposal of granting special pay of Rs. 50p.m. to the Asst. &Dy.Engrs. attached to the Divisional offices, is quite reasonable and may be supported by this Department.

FINANCE DEPARTMENT. (F.)

Please see the foregoing note of the P.W.D. So far as office remembers there was a similar proposal to sanction special pay to the overseers. It was noted that those overseers who are already in receipt of special pay should continue to receive the same during the current year but the proposal to allow this special pay to other overseers who are not in receipt of the same, may be put up as a new item of expenditure for 1950-51.

F.D. may therefore suggest that the present proposal may be included in that new item.

3. It is for consideration whether the proposals submitted by the local officers may be admitted as new items of expenditure. If so, the papers may be referred u.o.to the F.D. before the new item statement is forwarded to that Department.

4. The Electrical Engineer to Government proposes that a special pay of Rs. 50/- p.m. may also be granted to the Deputy Engineer attached to his office. As the Deputy Engineer has not been attached to the Divisional office as P.A. to the Executive Engineer, the Electrical Engineer's proposal may not be admitted as new item of expenditure for the year 1950-51

El.Engr's. proposal may be taken up separately as it is on the anology as the spl. pay of Rs.50/- granted to the Dy:Engr. attached to the S.E's. office. Id: 24/10/49.

Item Special pay to Deputy Engineers attached to the Divisional offices as personal Assistants to the Executive Engineers.

Recurring: ₹.7,200	Non-recurrent:₹.Nil
Total : ₹.7,200	ultimate annual recurrent. ₹.Nil

Remarks:- Government has granted special pay of ₹. 50/- per mensem to Deputy Engineers and Assistant Engineers attached to the Superintending Engineers' offices and ₹. 100/- per mensem to those attached to the P.W.D. Secretariat. On the same analogy, it is proposed to sanction special pay of ₹. 50/- per mensem to the Deputy Engineers or Assistant Engineers, who are working as personal Assistants to the Executive Engineers in the heavy Divisional offices ,there has been a considerable increase of works in the Divisional Offices, due to various Government schemes and the Executive Engrs., are required to pay more attention to the works that are progress and to visit them frequently. They, therefore, find it difficult to go through all the routine correspondence, which has increased enormously. All the Executive Engineers are not given Personal Assistants but only those who are in charge of heavy Dns.The Personal Assistants help them in all matters for the efficient and smooth management of the Dns. The Deputy Engineers or the Assistant Engineers attached to the Divisional offices have to scrutinise plans and estimates of the works and are not only Technical Assistants but have to deal with a considerably amount of routine administrative works, when the Executive Engineers are on tour. They also assist in drawing up reports on new schemes

and in scrutinising the schemes prepared by the Sub-Divisions. The posts of Personal Assistants are quite onerous and involve heavy responsibilities. It is, therefore, considered necey., to grant the special pay of Rs. 50/- per mensem. The number of Dy. Engineers attached the Divisional offices as Personal Assistants to the Executive Engineers is shown below:-
